

Illuminate Your Path to Proactive Safety with Lighthouse Training!

 **Safety isn't just a requirement—it's a mindset!**

At **Lighthouse Training**, we equip individuals and businesses with the knowledge and skills to create a safer workplace. Our expert-led programs ensure compliance with industry standards while fostering a culture of safety and prevention.

 **Why Choose Lighthouse Training?**

- ✓ **OSHA-Compliant Training** for Workplace Safety
- ✓ **Hands-On & Practical Learning** for Real-World Application
- ✓ **Customizable Courses** Tailored to Your Industry
- ✓ **Certified Instructors with Years of Experience**

We proudly have a partnership with the National Association of Safety Professionals to offer professional, certificate and specialist courses.

We are the National Association of Safety Professionals (NASP) ninth international franchise.

This groundbreaking partnership marks a pivotal moment in the safety training industry, reinforcing our commitment to providing top-tier OSHA-focused training programs.
